We're the best place to get for your called publication. And your time to obtain this guide as among the compromises has become ready.

There came to a king of the kings, in his old age, a son, who grew up comely, quick-witted and intelligent, and when he came to years of discretion and became a young man, his father said to him, 'Take this kingdom and govern it in my stead, for I desire to flee [from the world] to God the Most High and don the gown of wool and give myself up to devotion.' Quoth the prince, 'And I also desire to take refuge with God the Most High.' And the king said, 'Arise, let us flee forth and make for the mountains and worship in them, for shamefastness before God the Most High.' Conclusion..When the Khalif heard his verses, he took the cup from his hand and kissed it and drank it off and returned it to Aboulhusn, who made him an obeisance and filled and drank. Then he filled again and kissing the cup thrice, recited the following verses:..All this, O my brother,' continued the merchant, 'befell because the locust had no knowledge of the secret essence that lieth hid in apparent bodies. As for thee, O my brother, (may God requite thee with good!) thou wast subtle in device and usedst precaution; but precaution sufficeth not against fate, and fortune fore-ordained baffleth contrivance. How excellent is the saying of the poet! And he recited the following verses:..159. The Man of Upper Egypt and his Frank Wife dcccxciv. Officer's Story, The First, ii. 122..When the king heard this, drowsiness overcame him and he slept and presently awaking, called for the candles. So they were lighted and he sat down on his couch and seating Shehrzad by him, smiled in her face. She kissed the earth before him and said, "O king of the age and lord of the time and the day, extolled be the perfection of [God] the Forgiving One, the Bountiful Giver, who hath sent me unto thee, of His favour and beneficence, so I have informed thee with longing after Paradise; for that this which thou wast used to do was never done of any of the kings before thee. As for women, God the Most High [in His Holy Book] maketh mention of them, [whenas He saith, 'Verily, men who submit [themselves unto God] and women who submit] and true-believing men and true-believing women and obedient men and obedient women and soothfast men and soothfast women [and long-suffering men and long-suffering women and men who order themselves humbly and women who order themselves humbly and charitable men and charitable women and men who fast and women who fast] and men who guard their privities and women who guard their privities [and men who are constantly mindful of God and women who are constantly mindful, God hath prepared unto them forgiveness and a mighty recompense]. (172)."O sister mine," answered Dinarzad, "bring forth that which is with thee and that which is present to thy mind of the story concerning the craft of women and their wiles, and have no fear lest this endamage thee with the king; for that women are like unto jewels, which are of all kinds and colours. When a [true] jewel falleth into the hand of him who is knowing therein, he keepeth it for himself and leaveth that which is other than it. Moreover, he preferreth some of them over others, and in this he is like unto the potter, who filleth his oven with all the vessels [he hath moulded] and kindleth fire thereunder. When the baking is at an end and he goeth about to take forth that which is in the oven, he findeth no help for it but that he must break some thereof, whilst other some are what the folk need and whereof they make use, and yet other some there be that return to their whilom case. Wherefore fear thou not to adduce that which thou knowest of the craft of women, for that in this is profit for all folk."..The two girls let me down from fourscore fathoms' height, i. 49..Then he gave me the present and letter and money for my expenses. So I kissed his hand and going out from before him, repaired to the sea-coast, where I took ship with many other merchants and we sailed days and nights, till, after a prosperous voyage, God vouchsafed us a safe arrival at the island of Serendib. We landed and went up to the city, where I carried the letter and present to the king and kissing the earth fell [prostrate before him], invoking blessings on him. When he saw me, 'Welcome to thee, O Sindbad!' quoth he. 'By the Most Great God, we have longed for thy sight and the day is blessed on which we behold thee once more.' Then he took my hand and seating me by his side, welcomed me and entreated me friendly and rejoiced in me with an exceeding joy; after which he fell to conversing with me and caressing me and said, 'What brings thee to us, O Sindbad?' I kissed his hand and thanking him, said, 'O my lord, I bring thee a present and a letter from my lord the Khalif Haroun er Reshid.' Then I brought out to him the present and the letter and he read the latter and accepted the former, rejoicing therein with an exceeding joy..We abode thus till the setting-in of the time of mid-afternoon, when she said, "Needs must I wash before I go." Quoth I, "Get water wherewithal we may wash," and pulled out from my pocket about a score of dirhems, thinking to give them to her; but she said, "I seek refuge with God!" and brought out of her pocket a handful of silver, saying, "But for destiny and that God hath caused the love of thee fall into my heart, there had not happened that which hath happened." Quoth I, "Take this in requital of that which thou hast spent;" and she said, "O my lord, by and by, whenas companionship is prolonged between us, thou wilt see if the like of me looketh unto money and gain or no." Then she took a pitcher of water and going into the lavatory, washed (111) and presently coming forth, prayed and craved pardon of God the Most High for that which she had done..? ? ? ? ? c. The Jewish Physician's Story cxxix.? ? ? ? ? a. The First Old Man's Story iv..When she came to Alaeddin's shop, she sat down thereat and said to him, "May the day be blessed to thee, O my lord Alaeddin! God prosper thee and be good to thee and accomplish thy gladness and make it a wedding of weal and content!" He knitted his brows and frowned in answer to her; then said he to her, "Tell me, how have I failed of thy due, or what have I done to injure thee, that thou shouldst play me this trick?" Quoth she, "Thou hast no wise offended against me; but this inscription that is written on the door of thy shop irketh me and vexeth my heart. If thou wilt change it and write up the contrary thereof, I will deliver thee from thy predicament." And he answered, "This that thou seekest is easy. On my head and eyes be it." So saying, he brought out a ducat (264) and calling one of his mamelukes, said to him, "Get thee to such an one the scribe and bid him write us an inscription, adorned with gold and ultramarine, in these words, to wit, 'THERE IS NO CRAFT BUT WOMEN'S CRAFT, FOR THAT INDEED THEIR CRAFT IS A MIGHTY CRAFT AND OVERCOMETH AND

HUMBLETH THE FABLES (265) OF MEN." And she said to the servant, "Go forthright."?STORY OF THE LACKPENNY AND THE COOK..THE TWO KINGS AND THE VIZIER'S DAUGHTERS. (154).? ? ? ? ? Yea, to Baghdad I came, where rigour gave me chase And I was overthrown of cruelty and pride..When the vizier came to the King of Samarcand [and acquainted him with his errand], he submitted himself to the commandment [of his brother and made answer] with 'Hearkening and obedience.' Then he equipped himself and made ready for the journey and brought forth his tents and pavilions. A while after midnight, he went in to his wife, that he might take leave of her, and found with her a strange man, sleeping with her in one bed. So he slew them both and dragging them out by the feet, cast them away and set forth incontinent on his journey. When he came to his brother's court, the latter rejoiced in him with an exceeding joy and lodged him in the pavilion of entertainment, [to wit, the guest-house,] beside his own palace. Now this pavilion overlooked a garden belonging to the elder king and there the younger brother abode with him some days. Then he called to mind that which his wife had done with him and remembered him of her slaughter and bethought him how he was a king, yet was not exempt from the vicissitudes of fortune; and this wrought upon him with an exceeding despite, so that it caused him abstain from meat and drink, or, if he ate anything, it profited him not..? ? ? ? ? Let destiny with loosened rein its course appointed fare And lie thou down to sleep by night, with heart devoid of care;? ? ? ? ? For the uses of food I was fashioned and made; The hands of the noble me wrought and inlaid..Quintessence of Things, The King who knew the, i. 230..WOMEN'S CRAFT..Then they went on a little, and thieves met them and despoiling them of that which remained with them, stripped them of their raiment and took the children from them; whereupon the woman wept and said to her husband, 'O man, put away from thee this folly and arise, let us follow the thieves, so haply they may have compassion on us and restore the children to us.' 'O woman,' answered he, 'have patience, for he who doth evil shall be requited with evil and his wickedness shall revert upon him. Were I to follow them, most like one of them would take his sword and smite off my head and slay me; but have patience, for the issue of patience is praised.' Then they fared on till they drew near a village in the land of Kirman, and by it a river of water. So he said to his wife, 'Abide thou here, whilst I enter the village and look us out a place wherein we may take up our lodging.' And he left her by the water and entered the village..Then he dealt the boy a cuff and he let go his ear, whereupon Aboulhusn put off his clothes and abode naked, with his yard and his arse exposed, and danced among the slave-girls. They bound his hands and he wantoned among them, what while they [well-nigh] died of laughing at him and the Khalif swooned away for excess of laughter. Then he came to himself and going forth to Aboulhusn, said to him, "Out on thee, O Aboulhusn! Thou slayest me with laughter." So he turned to him and knowing him, said to him, "By Allah, it is thou slayest me and slayest my mother and slewest the sheikhs and the Imam of the Mosque!".When it was the Nine hundred and thirtieth Night, Shehrzad said, "O king, there is present in my thought a story which treateth of women's craft and wherein is a warning to whoso will be warned and an admonishment to whoso will be admonished and whoso hath discernment; but I fear lest the hearing of this lessen me with the king and lower my rank in his esteem; yet I hope that this will not be, for that it is a rare story. Women are indeed corruptresses; their craft and their cunning may not be set out nor their wiles known. Men enjoy their company and are not careful to uphold them [in the right way], neither do they watch over them with all vigilance, but enjoy their company and take that which is agreeable and pay no heed to that which is other than this. Indeed, they are like unto the crooked rib, which if thou go about to straighten, thou distortest it, and which if thou persist in seeking to redress, thou breakest it; wherefore it behoveth the man of understanding to be silent concerning them."? ? ? ? ? My maker reserved me for generous men And the niggard and sland'rer to use me forebade..His father rejoiced in him with the utmost joy and his heart was solaced and he was glad; and he made banquets to the folk and clad the poor and the widows. He named the boy Sidi (3) Noureddin Ali and reared him in fondness and delight among the slaves and servants. When he came to seven years of age, his father put him to school, where he learned the sublime Koran and the arts of writing and reckoning: and when he reached his tenth year, he learned horsemanship and archery and to occupy himself with arts and sciences of all kinds, part and parts. (4) He grew up pleasant and subtle and goodly and lovesome, ravishing all who beheld him, and inclined to companying with brethren and comrades and mixing with merchants and travellers. From these latter he heard tell of that which they had seen of the marvels of the cities in their travels and heard them say, "He who leaveth not his native land diverteth not himself [with the sight of the marvels of the world,] and especially of the city of Baghdad"..INDEX TO THE NAMES OF THE "TALES FROM THE ARABIC".On the morrow, he betook himself to the shop of his friend the druggist, who welcomed him and questioned him of his case and how he had fared that day. Quoth the singer, 'May God requite thee with good, O my brother! For that thou hast directed me unto easance!' And he related to him his adventure with the woman, till he came to the mention of her husband, when he said, 'And at midday came the cuckold her husband and knocked at the door. So she wrapped me in the mat, and when he had gone about his business, I came forth and we returned to what we were about.' This was grievous to the druggist and he repented of having taught him [how he should do] and misdoubted of his wife. So he said to the singer, 'And what said she to thee at thy going away?' And the other answered, 'She bade me come back to her on the morrow. So, behold, I am going to her and I came not hither but that I might acquaint thee with this, lest thy heart be occupied with me.' Then he took leave of him and went his way. As soon as the druggist was assured that he had reached the house, he cast the net over his shop (195) and made for his house, misdoubting of his wife, and knocked at the door..Haroun er Reshid and the Woman of the Barmecides, i. 57..Picture, The Prince who fell in love with the, i. 256..108. Aboukir the Dyer and Abousir the Barber dcccxxvii.Now the treasures aforetime had been in the viziers' hand, so they might do with them what they would, and when they came under the youth's hand, that of the viziers was straitened from them, and the youth became dearer to the king than a son and he could not brook to be separated from him. When the viziers saw this, they were jealous of him and envied him and cast about for a device against him whereby they might oust him from the king's favour, but found no opportunity. At last, when came the destined hour, (101) it chanced that the youth one day drank wine and became drunken and wandered from his wits; so he fell to going round about within the palace of the king and fate led him to the lodging of the women, in which there was a little sleeping-chamber, where the king lay with his wife. Thither came the youth and entering the chamber, found there a couch spread, to wit, a sleeping place, and a candle burning. So he cast himself on the couch, marvelling at the paintings that were in the chamber, and slept and slumbered heavily till eventide, when there came a slave-girl, bringing with her all the dessert, eatables and drinkables, that she was wont to make ready for the king and his wife, and seeing the youth lying on his back, (and none knowing of his case and he in his drunkenness unknowing where he was,) thought that he was the king asleep on his bed; so she set the censuring-vessel and laid the essences by the couch, then shut the door and went away..Now she was righteous in all her dealings and swerved not from one word; (3) so, when he saw that she

consented not unto him, he misdoubted that she would tell his brother, when he returned from his journey, and said to her, 'An thou consent not to this whereof I require thee, I will cause thee fall into suspicion and thou wilt perish.' Quoth she, 'Be God (extolled be His perfection and exalted be He!) [judge] betwixt me and thee, and know that, shouldst thou tear me limb from limb, I would not consent to that whereto thou biddest me.' His folly (4) persuaded him that she would tell her husband; so, of his exceeding despite, he betook himself to a company of people in the mosque and told them that he had witnessed a man commit adultery with his brother's wife. They believed his saying and took act of his accusation and assembled to stone her. Then they dug her a pit without the city and seating her therein, stoned her, till they deemed her dead, when they left her..Eleventh Officer's Story, The, ii. 175.
